

Applications for Beverages

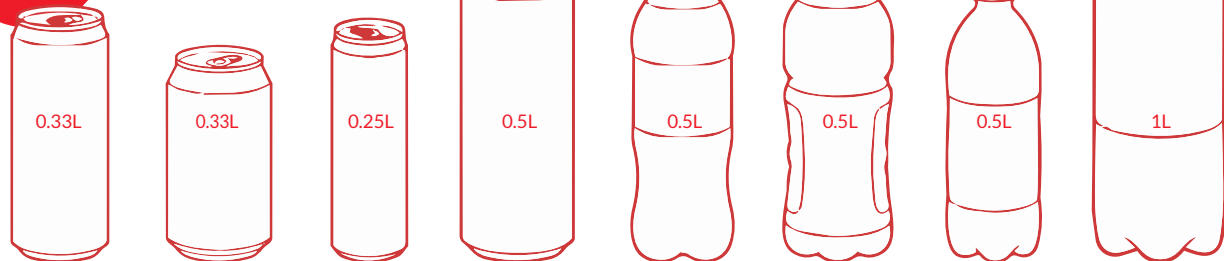

POS-T SUPERVARIO

A presentation solution for all beverage sizes

The perfect system for shelving and refrigeration: flexibly adjustable in width and depth – completely tool-free. Suitable for every product size and maximises shelf capacity. Stable, easy to assemble, and ideal for quick planogram changes.

Cans and PET Bottles

POS-T SuperVario, 2 – 9 Newton Beverage Cans & PET Bottles

Recommended for both ambient and chilled areas, for beverage cans and 0.5L/1L PET bottles, e.g. soft drinks, energy drinks, beer, isotonic drinks or water.

Wine Bottles

POS-T SuperVario Slomo, 10 – 14 Newton Wine & Sparkling Wine Bottles

Recommended for ambient areas for glass bottles, e.g. sparkling wine and wine bottles.

Glass Bottles

POS-T SuperVario Slomo, 10 – 18 Newton Glass Bottles

Recommended for chilled areas for glass bottles, e.g. soft drinks or beer (0.5L).
