

Present with Double Impact

POS-T SUPERVARIO

POS-T SuperVario as a doublestack solution

With its innovative side supports, POS-T SuperVario can be effortlessly transformed into a doublestack display solution, enabling up to 30% more facings thanks to its flexible stackability.

Products such as cans can be arranged vertically to save space while creating a highly eye-catching presentation at the point of sale. Quick to implement, easy to handle, and designed to deliver maximum impact in-store.
